1.7 Refunds

The camp fees generally go towards upfront costs. For this reason, we regret to say we are unable to offer refunds to groups who withdraw prior to attending.

In the unlikely event that you book onto camp and your group is then unable to take part, please first try to find replacement participants and group leaders. This is to avoid disappointing any young people who have already been expecting to attend. Then contact info@venturercamp.org.uk where our team will make every effort to support you in finding a satisfactory solution. There is guidance available for fundraising, and for accessing camping equipment. You are important to us and we want to enable as many groups as possible to attend.

If during camp you are unsatisfied with the experience, please contact camp management on site, at the earliest opportunity. We want everyone to enjoy their experience and will actively work with you to resolve the issue. We regret to say that at the time of the camp, the expense has already been incurred and we are unable to offer refunds. Please use the camp procedures or Woodcraft Folk complaints policy for raising issues.
